No. F.7-1/IBCC/BS/2023/210

14th March, 2023

Subject: ENSURING AUTHENTICITY OF SSC/HSSC CERTIFICATES BEFORE FINALIZING ADMISSIONS.

Dear Madam,

The undersigned is directed to refer to the above cited subject and to state that recently it has been highlighted in main stream media that many of students were successful in getting admissions in the universities on the basis of fake/forged SSC & HSSC certificates. As you are well aware of the fact that the IBCC has been mandated for attestation of Certificates/Diplomas upto Higher Secondary level issued by Boards of Intermediate & Secondary Educations (BISEs) and Boards of Technical Educations (BTEs) of the country.

2. Therefore, to ensure authenticity of the documents submitted by the students in universities while getting admissions, it is proposed that the universities may please be directed to accept only those documents which are attested by IBCC. The IBCC is already issuing QR code base equivalence certificates and authenticity can be confirmed by scanning QR code. The IBCC is initiating QR code based attestation and its authenticity will be verifiable by scanning the QR code.

With profound regards,
