It has been experienced in the past that some senior students & hostilities are bullying, ragging and teasing the students of new batch. These actions are very strictly forbidden in HITEC IMS (Medical College). It is once again cautioned that:

- Ragging in any form is strictly prohibited in the hostel / college premises resulting in grave consequences.
- Boarders will not indulge in teasing, abusing, shouting, playing practical jokes or hurting new students or asking them to do any unwilling act.
- Being a silent spectator and not reporting / stopping others indulging in ragging is also an offence and will invite similar disciplinary action.
- Students undergoing ragging should report the incident immediately to the Warden / Chief Warden, Manager Student Affairs at any time the day / night.

If any student found involved in such illegal activities will render himself / herself liable to strict disciplinary action which may result into his / her expulsion from hostel and even from college, if considered appropriate.

All students are therefore, warned to observe discipline, respect orders and avoid bullying / ragging / teasing the new comers.
